+91-9392972774 | jellasrikanth23@gmail.com

CAREER OBJECTIVE

Electronics and Communication Engineering student with strong programming skills in python and problem-solving abilities, seeking an entry-level IT role to develop scalable software solutions while continuously enhancing technical expertise.

EDUCATION

Bachelor of Technology (Electronics and Communication Engineering)

Vignan Institute of Technology & Science, Hyderabad

2027

Diploma in Electronics and Communication Engineering

TRR College of Technology, Hyderabad

2024

Secondary School Certificate (SSC)

Gowtham Model School, Hyderabad

2021

SKILLS

- **Programming languages:** Python
- **Web Development:** HTML5, CSS, JavaScript
- **Databases:** MySQL
- **Cloud Technologies:** Microsoft (Azure Fundamentals)
- **Tools:** Visual Studio Code, Postman, Git
- **Other:** Object-Oriented Programming (OOP), API Integration

PROJECTS

Agriculture Guider Chatbot

- Developed a voice-enabled AI chatbot that helps identify crop diseases and provides real-time disease predictions based on user inputs. Integrated speech recognition and machine learning to make agricultural disease diagnosis more accessible and user-friendly.

Skin-Tone and Occasion-Oriented Outfit Recommendation System

- Developed an interactive image-based web application that recommends suitable outfits based on the user's skin tone and occasion. Implemented machine learning logic to analyze inputs and provide personalized outfit recommendations.

Recipe App Website

- Developed a responsive recipe web application that allows users to browse, search, and discover recipes dynamically. Integrated recipe APIs to fetch and display real-time recipe information with a user-friendly interface.

CERTIFICATIONS

- Python Programming - Cisco
- Artificial Intelligence – IBM
- Basics of Python – HackerRank
- Microsoft Certified: Azure Fundamentals
- Hewlett Packard Enterprise Software Engineering Virtual Experience – Forage

PROFESSIONAL STRENGTHS

- Problem Solving | Critical Thinking | Communication | Leadership | Team Collaboration | Independent Work | Remote Work Readiness.
